

SYMPOSIA

New Avenues in the Management of Bipolar Disorders

Chair: Jerzy Samochowiec (Poland)

Co-chair: Eduard Vieta (Spain)

Mania and Depression: What's New?

Andrea Fagiolini (Italy)

The Role of Long Acting Antipsychotics in Bipolar Disorder

Eduard Vieta (Spain)

Managing Cognitive Dysfunction in Bipolar Disorder

Kamilla Miskowiak (Denmark)

Treating Bipolar Disorder According to the Polarity Index

Chantal Henry (France)

Gaming, Gambling, Behavioural Addictions: Challenges in Diagnosis and Treatment

Chair: Dom Geert (Belgium)

Co-chair: Falk Kiefer (Germany)

Pathological Gambling, Impulse Control Disorder or Behavioural Addiction: What Do the Data Indicate?

Karl Mann (Germany)

Neurobiological Mechanisms of Problem Gambling and Treatment

Anneke Goudriaan (Netherlands)

Internet Addiction and the Virtual Self-image

Tagrid Lemenager (Germany)

Mobile Phone Addiction: Evidence from Empirical Research

Daria Kuss (UK)

Clinical Management and Treatment of Suicidal Patients

Chair: Danuta Wasserman (Sweden)

Co-chair: Benjamin Sadock (USA)

Clinical Use of Biomarkers in Suicidal Behaviours

Philippe Courtet (France)

The Patient Is Suicidal: What Should I Do as a Clinician?

Vladimir Carli (Sweden)

Diagnosing and Treating Suicidal Adolescents

Judit Balazs (Hungary)

When Your Patient Dies by Suicide: Aftermath and Implications

Benjamin Sadock (USA)

Promoting Mental Health in the Health and Non-health Sectors

Chair: Silvana Galderisi (Italy)

Co-chair: Helen Herrman (Australia)

Conceptual Aspects of Mental Health in Its Intersection with Human Rights and Development

Silvana Galderisi (Italy)

Interventions in the Health and Non-health Sectors Aimed at Promoting Mental Health

Helen Herrman (Australia)

The Needs of Women Users of Mental Health Services and Their Families

Michaela Amering (Austria)

Women, Mental Health and Trafficking

Meryam Schouler-Ocak (Germany)

Modifying Outcomes of ADHD Across the Lifespan

Chair: Philip Gorwood (France)

Co-chair: Antony Ramos-Quiroga (Spain)

Continuity of ADHD Across the Lifespan

Phil Asherson (UK)

News on Pharmacological Treatment of ADHD Across the Lifespan

Antony Ramos-Quiroga (Spain)

ADHD and Addiction Across the Lifespan

Wim van den Brink (Netherlands)

Non Pharmacological Treatment of ADHD Across the Lifespan

Alexandra Philipsen (Germany)

Child Maltreatment and Unfavourable Clinical Outcome

Chair: Silvana Galderisi (Italy)

Co-chair: Carmine Pariante (UK)

Prevalence and Consequences of Bullying: What Could Healthcare Services Do for Intervention?

Dieter Wolke (UK)

Early Life Stress, Epigenetic and Trajectories to Psychiatric Disorders

Maggie Schauer (Germany)

Long Term Effects of Childhood Maltreatment on Inflammation and Physical Health

Carmine Pariante (UK)

Adolescent Mental Health Outcomes of Early Adversities: Not a Simple Story

Albertine Oldehinkel (Netherlands)

Mental Health Care in Refugees and Asylum Seekers

Chair: Levent Küey (Turkey)

Co-chair: Julian Beezhold (UK)

Mental Health Care in Refugees and Asylum Seekers: An Ethical Priority

Marianne Kastrup (Denmark)

Providing Care for Migrants and Refugees

Meryam Schouler-Ocak (Germany)

Cultural Competence Training and Mental Health Care in Refugees and Asylum Seekers

Dinesh Bhugra (UK)

Suicide Risk in Refugees and Asylum Seekers

Danuta Wasserman (Sweden)

Human-based Psychiatry: From Theory to Practice

Chair: Michael Musalek (Austria)

Co-chair: Paz Garcia-Portilla (Spain)

Evidence-based Medicine - a Critical Review

Wolfgang Gaebel (Germany)

Theoretical Background of Human-based Psychiatry

Michael Musalek (Austria)

Human-based Psychiatry in Clinical Practice

Levent Küey (Turkey)

Current Hot Topics in Working with Service Users and Family Carers Towards a Human Based Psychiatry

Michaela Amering (Austria)

ICD-11 Classification of Mental and Behavioural Disorders – Recent Developments

Chair: Wolfgang Gaebel (Germany)

Co-chair: Geoffrey Reed (Mexico)

ICD-11: Present Status and Overall Results of Field Trials

Geoffrey Reed (Mexico)

ICD-11: Example of Psychotic Disorders

Wolfgang Gaebel (Germany)

How Does ICD-11 Address Needs of Low and Middle Income Countries?

Oye Gureje (Nigeria)

DSM-5, ICD-11, RDoC and the Future of Psychiatric Classification

Mario Maj (Italy)

Upscaling Mental Healthcare - Implementing Guidance and Mental Health Care Recommendations in Europe

Chair: Wolfgang Gaebel (Germany)

Co-chair: Tamas Kurimay (Hungary)

How Can Guidance Recommendations Contribute to Better Mental Health?

Wolfgang Gaebel (Germany)

Implementation of EPA Guidance – One Way for All Countries?

Manuel Martin Carrasco (Spain)

Country Specific Implementation of EPA Guidance: Example from the Polish Psychiatric Association

Jerzy Samochowiec (Poland)

The Joint Action on Mental Health and Wellbeing and its Implementation in Europe

Tamás Kurimay (Hungary)

JOINT SYMPOSIA

Early Intervention in Psychotic Disorders: Comparing Models and Experiences Joint Symposium with the Italian Psychiatric Association

Chair: Silvana Galderisi (Italy)

Chair: Claudio Mencacci (Italy)

Assertive Interventions for First Episode Psychoses: The Danish Experience

Merete Nordentoft (Denmark)

Assertive Interventions for First Episode Psychoses: The Italian Experience

Anna Meneghelli (Italy)

Beyond Stand-alone Centres for Early Intervention in Psychoses: An International Survey

Mary Clarke (Ireland)

Beyond Stand-alone Centres for Early Intervention in Psychoses: The Italian Experience

Mirella Ruggeri (Italy)

The Value of Treatment for Brain and Mental Disorders Joint Symposium with EBC

Chair: Patrice Boyer (France)

Chair: David Nutt (UK)

Discussant: Silvana Galderisi (Italy)

Concept and Outcome of the EBC Value of Treatment Project

David Nutt (UK)

Closing the Treatment Gap: The EPA Case Study of Schizophrenia

Wolfgang Gaebel (Germany)

The Cost of Non-Treatment

Martin Knapp (UK)

Towards an Adapted Model of Care for Brain and Mental Disorders

Nick Guldemon (Netherlands)

**How Long Do We Have to Wait for the Antidepressant Effect?
Joint Symposium with ECNP**

Chair: Silvana Galderisi (Italy)

Chair: Celso Arango (Spain)

Mechanisms of Action for Delay of Onset Response to Antidepressants

Francesc Artigas (Spain)

What Do Clinical Trials Tell Us About Antidepressant Delayed Onset of Action?

Jonathan Rabinowitz (Israel)

Ketamine and Other Promises for Rapid Onset of Action in Depression

Guy Goodwin (UK)

Is it Possible to Prevent Alzheimer's Disease?

Chair: Tom Russ (United Kingdom)

Chair: Craig Ritchie (United Kingdom)

Setting the Scene: The Evidence for Pre-Clinical Change, Projections of the Impact of Intervention, and Implications for Public Health

Tom Russ (United Kingdom)

New Statistical Risk Models for Determining the Impact of Prevention Measures in the Pre-Dementia Period

Graciela Muniz Terrera (Canada)

The PREVENT Study: A Prospective Cohort Study to Identify Mid-Life Biomarkers of Late-Onset Alzheimer's Disease

Karen Ritchie (France)

The European Prevention of Alzheimer's Dementia (EPAD) Project: Developing Interventions for the Secondary Prevention of Alzheimer's Dementia

Craig Ritchie (United Kingdom)

Psychiatric Care in Europe for People with Intellectual Disabilities: How to Prevent Abusive Practices
